

How is the information reported to the CO₂Count customer?

The customer will receive a CO₂Count certificate after every fuel card invoice, at a cost of only £1 per certificate.

The customer can also access reports via eServices, on screen or download in an Excel or CSV format;

Information > Go to: [CO₂Count website](#) > Go to: [MileageCount website](#) > Go to: [eServices log in](#)

CO₂count certificate

Invoice No:

Invoice Date:

Account No:

Customer Name:

Diesel					
Petrol					
Gasoil					
LPG					
TOTAL					

calculation will help you keep a close eye on your vehicles' emissions against your recent invoice. For detailed information, a transactional breakdown of these figures, drawings download and report, please see your e-services account

We acknowledge that data conversion factors originate from Defra website. [Date of update and version \(click\) for data.](#)

a DCC company
